IT community? Why?

Ты говоришь об ИТ-сообществе,
но даже не пишешь на Fortran

#ITKremenchuk - how it's made?

Start - VK group (13th of September 2011)

Yaroslav Khorischenko

Пусть клавиша от руки не залипает
Пусть мышь от скорости пищит
И комп твой никогда не зависает
А код от простоты блеснит.
С днем 0x100 !!!!
